

Confirmation on quality assurance according to nuclear standard KTA 1401

On behalf of the German nuclear power plant operators
RWE Nuclear GmbH, as a partner of the VGB PowerTech e. V. working
group "Assessment of Contractors" confirms

Friotherm Deutschland GmbH
Hinter der Säge 5, 88138 Weißensberg

for the site

88138 Weißensberg

and the scope of supply and services

**design, erection, commissioning as well as service and
software qualification for refrigeration units, chillers and
cooling water plants in nuclear facilities incl. appendant
measurements and controls**

the qualification for system- and product related quality assurance.

The assessment was performed on **November 27th, 2019** by order of

Framatome GmbH

based on **Standard KTA 1401** as well as on the assessment documents of the VGB PowerTech e. V. working group "Assessment of Contractors" in consideration of product related requirements.

Details of the assessment are given in the report IBGSI/2019/de/0137.

This confirmation is valid until **November 26th, 2022** provided that the conditions on which the assessment was based have not been changed.
